SELECTION OF BANDS: AUDITION SUBMISSION OF ONE PERFORMANCE

Please submit one song... cover or original ...along with completed application. Your audition song does *not* have to be a newly recorded song. If you have a recent recording of your band with the present musicians (those that will be performing with your band on June 5) then please feel free to use it, if you are happy with the performance. We *do not* need to hear a selection you are using for your set list. Your audition song simply needs to be a good representation of your band's abilities and the style of music you play. The recording does need to be of good quality. Our selection process for the teen bands we choose for *Shake The Lake IV: Battle of The Bands* will be based upon musicality, clarity of lyrics and the ability of your band to give a "tight" performance (well rehearsed).

Audition song can be submitted on CD, DVD, link from video-sharing site (YouTube, Yahoo! Video, etc.), audio-sharing site (MySpace, Soundboard, etc.), or via email. (Email: Please use a service like *FileChute* that easily transmits large files and we will download your audition song.)
